Happy Days

① Hi, I'm Jim Brown, the director of *Happy Days*. It's a movie about the friendship between Tom and his dog Max. A lot of people are working hard to create this movie. Do you want to meet some of them? I'm Anna, and I found this beautiful beach. I'm a location manager, and my job is to find perfect places for shooting. Of course, it is not easy, but I love my job. I like to travel and enjoy challenges.

② I'm Peter, the director of photography for this movie. I'm in charge of all the cameras. Today, Tom and Max are going to play together with a ball on the beach. To capture their happy moments, I'm going to use drones.

③ I'm Jennifer. I trained and took care of Max for a long time. Max is a great actor, but he sometimes gets too excited when a lot of people are around. So, I use hand signals to calm him. Who am I? I'm an animal wrangler.

④ My name is Emma, and I'm a film editor. My work begins after the shooting is over. To create a better story, I can change the order of scenes or delete some of them. Storytelling skills are important for my job, so I read a lot.

⑤ I'm Chris, and I'm a Foley artist. I create sound effects in my studio when recording on location is not easy. Listen carefully. Do you hear the sound of waves? I made that sound with rice and a plastic container. Doesn't it sound real?
